The Göttingen Course with its signature hole the fantastic "Keilerkopf Green", the Niedersachsen Course and the six hole public course present challenges for pros and beginners.

"Golf without frontiers" is the slogan of this golf course, situated in the beautiful countryside in the south of the HARZ and you have the opportunity of playing golf in Lower-Saxony, while you can enjoy the fantastic views into Thuringia.

Next to the city, but situated in an old cultural landscape.... that's playing golf in Bad Harzburg. This beautiful 18 holes golf course offers a spectacular view of the foothills of the HARZ Mountains.
